Based in Malakal city, SOS Children’s Village provide shelter for orphans and vulnerable children in South Sudan. SOS Children’s Village now cares for 150 children who have been orphaned or abandoned. The children receive nutritious meals, quality education, medical care and recreational activities. Besides, we are devoted to making sure each child learns more about the love and compassion of Jesus Christ. With your generous support, we hope to reach more orphans and vulnerable children throughout the region.
